Tranquility, wonderful views and total privacy make this south west facing property the ideal mountain retreat. The house is in excellent condition and finished in rustic style with vaulted beamed ceilings and wooden windows and doors. There are 3 bedrooms, a bathroom, open plan kitchen / diner living room with fireplace, a covered terrace with barbecue and a tool shed. The land is steep and mainly planted with almonds, olives and carobs. water is from a well and there are 15000ltrs of storage tanks. Access is on rough dirt tracks but there is a Cherokee jeep (shown in the pictures parked outside the house) included in the price. #ref:APN9007
