A very pretty end terrace village house which still retains many original features and situated in a quiet street in the oldest part of town, just minutes from all the amenities. The accommodation is distributed over three levels. At street level there is a sitting room with a beamed ceiling, traditional fireplace with woodburning stove and a dining annex and aircon/heating. A good sized double bedroom with wardrobe space, a full bathroom and a fitted kitchen complete the accommodation at this level. From the kitchen there is a sun terrace and stairs down to a patio with a small splash pool and access to a semi-basement room with glazed doors which could be used as a third bedroom. Upstairs there is a further double bedroom with beams and a full bathroom. A lovely upper terrace gives stunning views across Alora to the countryside beyond. In excellent condition throughout, all mains services are connected. A rather special home or holiday home, it has been successfully let for holiday rentals in the past. #ref:APN6529
