Village house, urban, but located in an area of the village to enjoy the tranquillity of the countryside. This house has on its ground floor a premises that was formerly a bakery business for more than 20 years. Ideal to continue the business, since all the machinery remains, or open another business, or simply convert it into another house or expand the original one further. The ground floor is the main house and is divided into a living room with fireplace, dining room, kitchen, a bathroom and 4 large bedrooms. Through a small and beautiful interior courtyard you access the large roof solarium with 360° views and barbecue area. It is currently covered but can easily be converted into a solarium terrace #ref:APN7400

Casa de pueblo, urbana, pero localizada en un zona del pueblo para disfrutar la tranquilidad del campo. Esta casa tiene en su planta baja un local que antiguamente fue un negocio de panadería durante mas de 20 años. Ideal para continuar el negocio, ya que toda la maquinaria se queda, o bien abrir otro negocio, o simplemente convertir en otra casa o ampliar mas la original.
